

**COUNCIL REPORT**

**DIRECTOR OF MUSIC MINISTRIES**

**SEPTEMBER 2020**

Planning for the livestream services continues week to week.

This weekend, 5PM Saturday and 11AM Sunday traditional services have been added. These will be three very different services: different orders of worship, different participants and different music. Since there is no congregational singing, the vocal music each week will be sung by alternating “cantors” who will sing the hymn, the psalm, possibly a solo or duet, and the prayer response. Instrumental music and a small choral ensemble (11AM) will play a large part in upcoming worship experiences.

I’ve been helping 3 of our older members who have transportation issues get to doctors appt’s and haircuts.

Weekly choral ensembles, Adult, Youth and Children’s Bells are re-forming and rehearsals will begin shortly.

A letter explaining the necessary delay of 2020/2021 Concert Series has been sent to Trinity members and friends.

Worship Team, staff meetings, 3 funerals

Respectfully submitted,

Tim
