Mutual Ministry

I met with my Mutual Ministry team on Tuesday, August 18 to touch base since we haven't met since before the beginning of the pandemic. We discussed how the pandemic had affected my ministry as well as other topics.

Vacation

Kyle and I enjoyed a week of vacation at the end of August. It was nice to get away and to spend some time together.

Racial Justice Training

On Tuesday, September 1, I attended the synod's training on racial justice. The training is required for all rostered leaders in our synod, but I am grateful for the opportunity to expand my learning and better fulfill my call to advocate for justice. It was held on zoom, but we were able to discuss this important topic in breakout rooms. I was grateful for this time with colleagues to unpack and discuss in a smaller group.

Covid-19 Task Force and Worship Team

Both groups have been discussing logistics and formulating plans for opening the building for in-person indoor worship.

Upcoming events

On September 13, Kelly Falck and I will be hosting a new member meet up, which will be an opportunity for folks new to Trinity to get acquainted with us. Additionally, I am finalizing details and dates for the October Week of Service at Trinity in the next week.
