

FELLOWSHIP TEAM MEETING
MONDAY, OCTOBER 12, 2020

Team Members: Kathy Holmes, Debra Wilson, Joe Hunter, Ellen Ney, Mary Ellen Hettinger, Martha Hawk-Nagle, Pam Glenn, Pastor John Brock, Rick Sten

The current pandemic continues to create challenges for the fellowship team, however we are learning that the only thing we can be certain of is uncertainty during this time. Despite that we are always looking for alternatives that are Covid-19 compliant.

This year T&G will have a very different look. Kathy Holmes was contacted by our good friend Lynette who spearheads the initiative for feeding needy families in Camp Hill(Lynette spoke with our team last year). Here's the proposal: Members of Trinity will be able to sign up to purchase and deliver Thanksgiving dinner items for one of 39 families and deliver them to that family as well. Items would include boxed or canned goods like stuffing, mashed potatoes, green beans(etc) and dessert(perhaps a pie or pumpkin roll). Lynette's team would supply the turkey. Deliveries would take place the Sunday before Thanksgiving, November 22nd. Kathy Holmes is drafting a proposal for council approval at the October 13th meeting...to be presented by Ellen Ney.

Most recently the fellowship team offered up small group fellowship opportunities called "Circle Up". These were fun-laid back gatherings of no more than 10 people in a group both in person and via Zoom. However, very few people signed up with one exception...our Tour De Camp Hill Bike Ride hosted by Ellen Ney and Kathy Holmes. The ride was so well received, we look to make this a benchmark on the fellowship calendar. We do still believe that small group fellowship is a concept that can work and would be well received, so we will revisit this post-pandemic.

The Trinity Walkers continue to do their thing while observing social distancing and wearing their masks. As long as the weather allows, expect to continue to see Trinity Trekkers Trucking through Camp Hill on Saturday mornings.

Respectfully Submitted,
Rick Sten
