The Honor Our Past, Plan Our Future webpage has been moved to the home page of the Trinity website for better visibility. It serves as a reminder to those who have pledged to continue to do so and for those who have not pledged, it gives them an opportunity to donate as well. It also gives the congregation the latest information on the building project along with pictures of the changes and improvements that are happening as a result of the congregation's generosity. This is also shared on the weekly email blasts and there is a full page ad on the back page of the newly released "Trinity Stories".

Visitations with potential donors remain on hold until it is safe and appropriate to do so in light of the continued threat of Covid-19.

Respectfully Submitted,

Rick Sten
