

## **COUNCIL REPORT**

### **DIRECTOR OF MUSIC MINISTRIES**

**NOVEMBER 2020**

Planning for the livestream and Saturday and Sunday in-person services continues week to week.

Rehearsals with cantors, soloists, instrumentalists, youth and adult handbells, and a rotating Chancel Choir Ensemble take place every week.

Also, for the Livestream services: roughly once per month, on Thursday nights, Jon Lobaugh and I pre-record organ postludes and hymns with the singers who are there rehearsing for the following Sunday.

CHRISTMAS AT TRINITY will take place on Sunday, Dec. 13 at 3pm. It will be livestreamed. No audience. The event will be a "Service of Lessons and Carols" featuring our Childrens, Youth and Adult bell choirs, strings, organ, piano, and soloist Kevin Appleby.

A postcard advertising this and requesting donations to cover expenses will be sent to Trinity members and friends.

I played for the Confirmation Service, one funeral, and attended staff meetings.

Respectfully submitted,

Tim
