

Fellowship Team Report

November 9, 2020

Team Members: Kathy Holmes, Debra Wilson, Joe Hunter, Ellen Ney, Mary Ellen Hettinger, Martha Hawk-Nagle, Pam Glenn, Pastor John Brock, Rick Sten

The Fellowship Team is currently promoting the T&G event. The event is scheduled for Sunday, November 22nd at 2:00pm and 2:15pm. this year's event is scaled back due to the pandemic however we are teaming up with the Earl Besch Project in Camp Hill to feed 31 families in need in our community. Members of the congregation are being asked to purchase a Thanksgiving "Kit" of food items to go along with turkeys that are provided by the project. Members will be given addresses to deliver the "kits" and the turkeys so that these families will have food for their Thanksgiving dinners. Information and sign ups are currently on the front page of the Trinity website along with reminders via the weekly email blasts. As of this date, 25 church families have signed up for the event.

The team will meet via zoom in December to plan the 2021 calendar. We anticipate challenges in doing so as we try to come up with fellowship opportunities while still maneuvering around the pandemic which continues to spike in recent weeks. And at this point it remains a difficult call for us to determine the line between proactive and risk.

Respectfully Submitted,

Rick Sten
