

## **Report to Congregation Council, December 2020 Meeting**

### **Trinity Lutheran Church Worship Team**

Worship Team met November 11, 2020 via Zoom

#### **Beth Shunk Memorial Fund**

Beth's husband Bob has requested that the funds from the memorial fund be used to commission an icon of the The Holy Trinity. Pastor Horner has been in touch with the iconographer who "writes" the figure on wood. It will be approximately 19 by 11 inches in size. Stay tuned for the completion of this and information on its dedication. Property Committee will also be contacted about this.

#### **Budget for 2021**

We reviewed the budget, noting adjustments made to save money and for as long as COVID-19 restricts our ability to gather. This chiefly affects the purchase of altar flowers as many budget items are fixed. We are also hoping to **increase** contributions to altar flowers, the perpetual candle, and seasonal decorations.

#### **Decorations**

Kathy has ordered poinsettias to decorate for Christmas. Decorations will be modified to accommodate construction and our limited ability to gather.

**Next Regular Meeting:** February 10, 2021, 3:00
