

## **COUNCIL REPORT**

### **DIRECTOR OF MUSIC MINISTRIES**

#### **DECEMBER 2020**

During the month of November, planning for the livestream and Saturday and Sunday in-person services continued week to week. Rehearsals with instrumentalists, junior, youth and adult handbells took place every week; as did rehearsals with cantors, soloists, and a rotating Chancel Choir Ensemble – until singing was banned mid-month.

Now, only instrumental music is live, vocals are pre-recorded sometime during the week at evening sessions.

Orchestral parts were mailed out to the musicians who will be participating in Christmas at Trinity (more below) this weekend.

**CHRISTMAS AT TRINITY will take place on Sunday, Dec. 13 at 3pm. It will be livestreamed. No audience. The event will be a “Festival of Lessons and Carols” featuring our Childrens, Youth and Adult bell choirs, strings, organ, piano, and soloist Kevin Appleby.**

I played for a wedding, two funerals, and attended creative worship, worship team, and staff meetings.

Respectfully submitted,

Tim
