On Sunday, November 22nd, this year's version of T&G was carried out under a plan crafted by Kathy Holmes. The plan was in compliance with this year's covid-19 restrictions focusing on the safety of those receiving meals and those delivering meals. As a result, the Earl Besch Project in Camp Hill saw Thanksgiving dinners delivered to 132 needy people right here in Camp Hill. Trinity volunteers donated food(with many volunteers donating above and beyond what was requested) and then made deliveries along with a donated turkey to each family. A Girl Scout Troop made Thanksgiving cards for each family, while Stephanie Mauer and Danelle Andrews created prayer cards that were also included. The Earl Besch Project then responded: "On behalf of The Earl Besch Project I would like to THANK everyone for making it possible for a family to enjoy a Thanksgiving meal together. The community has stepped up in so many ways to make things just a little lighter for them." Despite the challenges this year, Trinity members once again stepped up and made a difference in the lives of some less fortunate people in our community. We thank God for this opportunity to serve.

Respectfully Submitted,  
Rick Sten
