

Report to Congregation Council, January 2021 Meeting Trinity Lutheran Church Worship Team

December 2020 Activities

Decorations appropriate to pandemic services were guided by Kathy Powers to adorn the sanctuary.

Our next meeting is scheduled for January 20.

Summary of January-December 2020 Activities

Trinity's Worship Team last met in person on February 19. Subsequent meetings have been held via Zoom and with necessary emails and phone calls.

Several Worship Team members also serve on the Covid 19 Task Force and have met two or three times a month since we began in May.

All tasks within the Team have continued in their pivoted forms—Altar Care, Decorations, Ushers, Greeters, Music, and Worship. The most notable change is the successful development of the 9:30 Streaming Service in conjunction with other committees and numerous volunteers. In-person services have been conducted as possible when the pandemic has allowed us to safely do so.
