

Trinity Lutheran Church P&C Team
Report to Congregation Council
January, 2021

Hello! I will start with a quick introduction. My name is Jessica Sheaffer and I took over the facilitator role of P&C from Danelle in October, 2020. I have been a member of Trinity for 3 years. My husband, Ryan, and I have three children. I am happy to add P&C to my growing list of involvement at Trinity.

Serving on the P&C committee for 2021 are: Stephanie Maurer, Danelle Andrews, Mary Alin Lubold, Debbie Wilson, Jessica Sheaffer

December 2020

The P&C committee was busy at work for the Christmas season. We are in constant communication with each other, via phone, text and e-mail. First was "Christmas at Trinity", in which the team helped with advertising, video editing and website production. Next, we were able to transition 4 of the 6 Christmas Eve services to fully online. Stephanie and Danelle deserve a round of applause for their many, many hours devoted to content creation, editing and advertising for these services.

Summary of Jan. - Dec. 2020

This year moved much of the focus of P&C to online content. We worked many hours to update the website, social media sites, e-blasts, graphics and YouTube pages. We want the digital content to be user friendly, and we hope you find the many changes just that.

We also sent numerous mailings to reach as many folks as possible. Stephanie created the new "Trinity Stories", a huge undertaking that collected meaningful interviews on the topic of race and racism. Trinity Stories is something we are very proud of and hope to continue in 2021.

Respectfully submitted,
Jessica Sheaffer
P&C Facilitator
