Faith Formation Task Force

It has been wonderful working with this amazing group. Their dedication and love of Jesus and this congregation and its sharing of the gospel to all ages was always in the forefront. Special appreciation to Serena Fedor for her leadership and organizational skill. I think you'll agree the report of the Faith Formation Task Force is well researched and thought out and gives us a vision for what can be. Be sure to thank them...Serena Fedor, Patty Comegma, Patti Shatto, Beth Maurer, and Dona Norris. Excellent work!

Mini-Sabbatical

I've been working with my mutual ministry committee on a mini-sabbatical for August (3-27). I'll be reading, taking a retreat to St. Augustine's House, Michigan and visiting and interviewing the pastor of the largest ELCA congregation (Hope, West Des Moines, Iowa) about the anchor church model and how they connect with members and neighbors digitally.

Intern/vicar

Serena Fedor and I met with an intern candidate and agreed to not move forward with an internship at this time.

Business mixer

The Camp Hill Business Association networking mixer is scheduled for Wednesday, July 14th from 4-6 p.m. in our gathering space. I'm looking forward to "showing off" our facilities to this group of local leaders. Appetizers and non-alcoholic drinks will be served.
