Thursday, May 20th: The Camp Hill Bike Ride organized by Kathy Holmes and Ellen Ney brought out 16 riders who left the parking lot of Trinity at 6pm for a seven mile journey that ended with fellowship at the Watershed Pub in Camp Hill. The event was so well received, that another bike ride is being discussed for the fall.

Sunday, May 23rd Open House Tailgate Sunday: The first tailgate of the season was very successful with nearly 200 people enjoying lunch on the lawn and backyard bingo. Special thanks to the joint effort of council members Debra Savage, Elizabeth Schenk, appeal team members Danelle Andrews, Nancy Martin and Lou Grammes(with an assist from his wife Sue), fellowship members Joe Hunter, Pam Glenn(with an assist from her hubby Peter) who all served up a great lunch that day.

Next Up: Sunday, June 20th...in honor of Father's Day, the fellowship team is offer up a Dad's Day Tailgate Sunday right after the 11am services. Lunch on the lawn featuring a Dad food menu with BBQ sandwiches, baked beans, coleslaw and beverage. And we will be playing "Dad Knows Best"...fathers will team up with their sons and/or daughters and take on other father/son/daughter teams with a fun-filled Q&A to find out how well the dads know their kids...and how well the kids know their dads. 2 more Tailgate Sundays are coming July 18 and August 15.

Recruitment: Excited to report two more members will be joining the fellowship team. They are Wendy Mitchell and Jessica Sheaffer. We look forward to them coming on board and we promise to be gentle...at first.

Respectfully Submitted,
Rick Sten
