Faith Formation Task Force/Team

The task force is continuing their role to support faith formation in the Fall. Our recommendation is they also become the hiring team or call committee (if the candidate for the faith formation director is a rostered leader in the church.)

Summer Faith for Adults

The pastors and music staff (Tim and Debbie) are working on an adult study on Music and Faith. See how much touches the soul and enlightens our faith. Watch for announcements soon.

Conversation with Bishop Dunlop

This month I had a conversation with the bishop of the Lower Susquehanna Synod, Bishop Jim Dunlop. Bishop Dunlop shared with me his encouragement of Trinity to lead the way in supporting the work of the wider church through mission support. He also shared some concern about pastors' compensation. A&P and Finance Committees are aware. We continue to be excited about our partnership with the synod and the parsonage and are working on finalizing move in dates given the earlier than anticipated completion of the renovation work.

Ribbon cutting

It was a great day in Trinity's life to offer prayers and thanksgiving for the completion of the renovation work. Thanks to the various teams that have worked so hard to see it happen. And thanks to all of our members who supported the work with their prayers, vision and generosity!

Covid

As we see the light at the end of the tunnel it's so important for all of us to reconnect with each other. Think of someone you haven't seen in 15 months and reach out to them. Get involved in service. Worship, connect, serve!

Your servant in Christ,

Pastor Jack Horner
