

Faith Formation Team Update

9.12.2021

The Trinity Faith Formation Team has been busy the past several months. Below are some highlights from our recent activity.

Faith Formation Director:

As you have seen, we completed our search for a new Director of Faith Formation this summer. We had the opportunity to meet with many talented individuals throughout this process and are so excited to welcome Moses Kavishe. His official start date was on 9/1, but jumped in early in August to assist the team in planning for Fall Faith Formation Activities.

IKEA Church:

The team has been working hard all of July and August to plan for Fall kick-off of Faith Formation. Hopefully you all have heard IKEA church and are planning to attend as you are able. We kicked off on Sunday, September 12th and will be holding activities focused on building back the church through Sunday, October 10th. The activities are held from 10-10:50 and vary each week. No registration is required. Come to all or the weeks that work for you. We had a successful first week and hope to see members of council in the upcoming sessions.

Faith Formation Sunday School:

Starting the week of Sunday, October 17th regular Sunday school will resume. Plans are being finalized and sign-ups will be released soon.

Volunteers:

Faith Formation across all levels is in need of volunteers. If you, someone in your family or someone that you know within the congregation would be interested, please have them reach out to Moses. (Moses@trinitycamphill.org or call the main number and ask for him)
