### **Outreach**

It was so good to have two outreach events to the community last month. The Harvest Hop “street fair” was a great way for us to connect to our Camp Hill neighbors. Thank you to Rick Sten and his team of helpers. We also hosted our first concert in almost two years on the 17<sup>th</sup>. Another way to connect with the community. I encourage Council members to be a presence at these events. They are enjoyable and a great way to connect with our members and community.

### **Covid Task Force**

The task force continues to monitor the local situation with Covid-19. Infection numbers are going down in our area, as are hospitalizations. There have not been the super spreader events with large sporting events as some predicted. That said, the virus continues to be very dangerous for those with other medical conditions. We are trying to balance people’s desire for “normality” with safeguarding our “at risk” population. Please be patient and know we working hard with the information at hand. Thank you!

### **Strategic Plan 2022**

I excited about the strategic plan in development. Now is the time to share your hopes and dreams about Trinity’s future! Speak with Bob Frymoyer or myself about your ideas.

### **GIVE, SERVE, LEAD**

Thank you to all who helped with the videos. Very inspirational! And special thanks to our awesome communications team!!

Together we do more!

Your servant in Christ,

Pastor Jack Horner
