Pastors reported by Steve

All Advent and Christmas Eve/Christmas services are scheduled and advertised.

Altar Care From Fran for Christmas Eve

1. Individual candles are prepared, 1980 of them. The bins will be placed in the Narthex and balcony. Ushers will put used candles (bins) under tables after each service, as done previously.
2. Schedules are hopefully in place for Communion. Set up in the Nave and balcony for 2pm and 6pm.
3. Oil will be refilled prior to 6pm. Paraments will be changed on 12/19 in preparation for Christmas Eve.

Similar procedures will be in place for the Christmas Eve Contemporary service at 8:00pm.

Ushers

A scarcity of volunteers continues to be stressful for those who are serving, but all services have been covered. Dan Reed reported that Contemporary ushers for Christmas Eve are all scheduled.

Greeters

Pastor Liz and Jane are working on greeters for all five Christmas Eve services. Jane is scheduling and Pr. Liz will call each volunteer to make clear what her expectations are for this busy day of many worshippers coming and going. Each service will have at least one person outside the doors to the Gathering Space, weather permitting. Some volunteers will be families and those who have not previously been greeters.

Next Regular Meeting: February 23, 2022, 10:00AM via Zoom
