

# FELLOWSHIP TEAM PROGRESS REPORT

## 11/6/21

Rick Sten/Facilitator

Members: Kathy Holmes, Debra Wilson, Joe Hunter, Ellen Ney, Mary Ellen Hettinger, Martha Hawk-Nagle, Pam Glenn, Jessica Sheaffer, Leora Kirkpatrick, Pastor John Brock

November 21: T&G was held in conjunction with Earl Besch Project. Members of the congregation delivered Thanksgiving meals including turkeys provided by residents of Camp Hill to 33 needy families in the community. Prayer cards created by Dona Norris were also delivered.

T&G in 2022: The hope is that T&G will be able to return to its pre-covid program with full meals prepared at the church and delivered by members of the congregation. If circumstances do to covid dictate, we will once again partner with the Earl Besch Project, but we will also utilize the money in the fellowship account designated for Thanksgiving meals to expand meals for people in the congregation and perhaps other local organizations that could use some help. The current T&G fund is just north of \$1600.

My term as fellowship team facilitator ends at the end of the year. I do intend to stay on as a team member and volunteer, but the team will need a new facilitator moving forward in 2022.

Respectfully Submitted:  
Rick Sten
