### **Covid Task Force**

The task force continues to monitor the local situation with Covid-19. Unfortunately, we are not seeing the improvement in Covid numbers we hoped for at the beginning of last month. Therefore, our recommendation is unchanged to continue masking for large indoor gatherings.

### **Budget 2022**

It was a pleasure to work with the Budget committee this year. I especially want to thank Daryl Ackerman and Paul Hensel for all their hard work and insight to help us craft a budget that invests in our ministry for the future.

### **Strategic Plan 2022**

I have been working a lot with Bob Frymoyer and the Strategic Planning Team putting together a draft. With the holidays upon us and our desire to "get it right" we may not be ready until the new year.

### **GIVE, SERVE, LEAD**

The team was busy contacting members for potential leadership positions in our congregation. We are blest by a talented group from which to choose. Thank you to everyone who considered serving.

### **Board Position**

I was asked to serve and elected to the Board of the Camp Hill Business Association. This is the same group Trinity has been working with over the last four years to improve the Market Street business district. I am grateful for their inclusion of Trinity in the association and look forward to helping our local business community in any way I can.

Together we do more!

Your servant in Christ,

Pastor Jack Horner
