- Creative Wroship
- Noon prayer service/On Call weekend.

- Worship team (Zoom) (both of these meetings happened during my drive to FL, so I listened and occasionally commented as I drove)

Additional things:

- Lead Tuesday Morning Bible Study
- Phone/Home visits
- Non-member memorial service for member relative
- Lead Affirmation of Baptism class
- Work on Strategic Plan SMART Goals
- Pre-marriage counseling
- receive one-on-one training for the MEVO camera to do Friday Noon Prayer service on-line (we made a Very smart move in hiring Jon lobaugh to be our in-house tech person)
- Preside at Funerals: Marion Mackley
- Attend funeral for member Charlie Reddinger (Shells Lutheran) with Pastor Frey & Debbie Wilson
- Attend "Date Night"
- Home Visitor regroup planning with Ginny Honeysette & Margie Fox
- Lead Thursday Bible Study
- Work on Every Member Prayer list

Other things:

- Fit in a week of vacation, getting to walk around Walt Disney World with a total of: Three pastors, one Deaconess, one biology teacher, one marine biologist, and four girls age twelve and younger. I'm exhausted just thinking about it.
- also, drove back from FL in one shot. Drove over 1K mile in 16.5 hours. Don't really recommend doing that.

God's peace,

Pastor John Brock
