

COUNCIL REPORT

DIRECTOR OF MUSIC MINISTRIES

MARCH 2022

During the month of February, planning for the Sat night, 9AM livestream and 11AM services continued week to week. Rehearsals with soloists, instrumentalists, junior, youth and adult handbells took place every week.

The West Shore Symphony Orchestra and Capital Area Music Association presented two wonderful concerts the weekend of Feb 19/20. The Saturday morning Children's concert attracted over 100 children and adults. Over 400 attended the Sunday afternoon concert – a number we have not seen since before the pandemic.

I played for 3 funerals.

I attended a worship team meeting, a strategic plan meeting, as well as creative worship and staff meetings.
