

## Council President Report February 2022

- Had discussions with numerous members of the congregation in the gathering space on Sundays
- Spoke with George Harrison, a gentleman who has been in the gathering space on Sundays for coffee and to request assistance with food.
- Mike Akers has resigned from council because he will be moving out of the area. I've reached out to a few members of the congregation to see who we can have finish Mike's term, which runs through the remainder of 2022.
- Spoke with the scout troop leader regarding the troop's interest in purchasing a new trailer. Trinity will need to hold the title of the trailer and will need to provide insurance for the trailer.
- Currently working on framework for ways for us to respond to gifts and donations. This was a discussion years ago when I was on the stewardship committee. Matt Bingaman had mentioned that coming up with a plan to acknowledge gifts was something he had wished to be able to accomplish while he was on council and as president.
- Will be presenting a plan for the remainder of 2022 council meetings with the intention of having at least 3 of the remaining meetings in person.
