Other things:

- Meet with Assistant to the Bishop Pastor Beth Martini for preliminary plans on an Associate Pastor Workshop
- My computer died, one month shy of the warranty expiring. I was able to send in, and received refurbished replacement. I then spent several days installing software/programs. I am thankful for cloud storage, as I really did not lose any files.

Strategic Planning things:

- Divorce Care wrapped up its spring session, and will resume in the fall.
- Intercessory Pray-ers have begun meeting on a monthly basis.
- Sewing Group and Prayer Shawls continue to meet.
- Care for those Home Bound or in Nursing Facilities is going well. We have approximately forty-plus members that we are aware of who are part of this.

God's peace,

Pastor John Brock
