

Administration & Personnel Committee
Report to Council
June 14, 2022 Council Meeting

The committee met on June 12, 2022, via Zoom. Items discussed included recognition of ordination anniversaries, milestone staff anniversaries, the resignation of Paul Hensel and the resulting need to hire a new director of finance. Pastor Horner shared some ideas related to team building programs and summer plans.

The committee members once again took up the issue of updating policies. Steve Kauffman will provide the current relevant A&P policies to the committee members for review. This will be discussed in further detail later this year.

The committee also noted it won't be long until it's time to begin preparing budget information for 2023. Committee members recognize the need to be aware of the financial situation before beginning the work for 2023.

The date for the next meeting has not yet been determined. If there is sufficient need, a meeting will be held over the summer. Otherwise, the committee will meet again in September.

Respectfully submitted,
Patti Shatto, Chair
