

## **Report to Congregation Council, June 2022 Meeting**

### **Trinity Lutheran Church Worship Team**

#### **From the minutes of the May 18 Zoom meeting:**

##### **Administrative**

Worship times evaluation will be a permanent item on this agenda. Numbers have been low on Saturday evenings, approximately 20 to 50 worshipers.

The new front altar and paraments/fair linens are working well and look lovely.

Communion: many ideas for returning to communion by wafer and cup and for keeping the single serving cups have been discussed. For now, we will stay with the single serving cups; + for the reverence of ALL taking communion simultaneously, - is the cost and loss of individual contact with a pastor. Summer of 2022 will be a meeting during 10:00 hour to discuss ideas for communion to get broader input from the congregation.

##### **Decorations**

From Kathy via Steve: For Pentecost, geraniums were ordered and the candles are ready.

##### **Altar Care**

The rotation of volunteers is working well, according to Fran.

##### **Ushers and Security**

Intruder training is needed and in the process of being scheduled.

Sunday, May 22, 10:00, was Mitzi Jones with a quick CPR training.

##### **Worship Series**

The Summer series is an 11-week look at Genesis with discussion at 10:00 each Sunday.

**Next Regular Meeting:** August 17, 2022, 10:00AM in person at TLC (Who needs to Zoom?)

**Submitted by** Jane Killian, Worship Team Facilitator
