

Faith Formation - May Report

Through our strategy, Faith formation has Strategic Goal Three and Four to execute

3) Expand Trinity's footprint into developing neighborhoods and 'communities' by creating and implementing three new community ministries each year between 2022 and 2023.

- In May, we hosted May Fair. The goal was to bring young families and children together from our church community and surrounding neighborhoods. Approximately we had at least 500 families and children participating in our event. It was a very successful event. Thanks to the organizing team and all volunteers for making this event possible.
- We are preparing for VBS, which will be from June 20th to June 24th. Also, we will have a pop-up VBS on July 26th and July 28th at Winding hill South Part and Highlander Park from 6 pm to 8 pm

4) Develop and launch expanded adolescent and young adult ministries targeting the 13-18 age group and the 19-40 age group.

- We have reformed and reimagined youth groups and ways we can meet our youth needs and begin on 2022 to 2023 school year. We will have a meeting for 5th and 6th graders, a confirmation class, and a High Schoolers meeting in the evening during different times of the Month.
