

# Faith Formation - September Report

Through our strategy, Faith formation has Strategic Goal Three and Four to execute

### **3) Expand Trinity's footprint into developing neighborhoods and 'communities' by creating and implementing three new community ministries each year between 2022 and 2023.**

- We hosted a very successful VBS from June 20<sup>th</sup> to June 24<sup>th</sup>. Also, we had a pop-up VBS on July 26<sup>th</sup> and July 28<sup>th</sup> at Winding hill South Part and Highlander Park from 6 pm to 8 pm. Thank you to Amy Koch for making this VBS possible.

### **4) Develop and launch expanded adolescent and young adult ministries targeting the 13-18 age group and the 19-40 age group.**

- We are ready for this school year for all our faith formation classes. As a result, we are preparing for Fall Fun Fest this weekend. Our goal is to reach out to our neighborhood. By reaching kids, we also target parents in the age bracket of 19 – 40 years old. Expect to see more events that target this age group, especial during the holidays
- We are moving forward with restructuring our middle school and Youth Group programs. As we go, we will change and adjust as needed. I am excited to see the outcome.
