

Report for ITAV/Director of Technology 10.11.2022

Works in Progress

Acoustic panels for Chapel

Looking into some solutions to help with the “liveliness” of the room after the renovation

Equipment upgrade quotes for Fellowship Hall

Looking at vendors for pricing on option to replace aging equipment. Whether its laser projectors or led panels. As well as a new systems controller to replace the Creston unit as it is end of life on service and has some issues.

Evaluating Digital Signage Software

Looking into the options for our digital signage needs and expansion of signs for in the main entrance, upper entrance, and Faith Formation classrooms. Trying to find the best fit for the needs of the church.

Any questions concerns or other needs, please reach out to me.
