

Faith Formation - October Report

Through our strategy, Faith formation has Strategic Goal Three and Four to execute

3) Expand Trinity's footprint into developing neighborhoods and 'communities' by creating and implementing three new community ministries each year between 2022 and 2023.

- Our Faith Formation classes started in September for all ages. We hosted the community members on our launch, and we started differently this year, and we received a lot of good feedback
- We participated in Camp Hill Harvest Hop and will continue participating in Camp Hill community events.

4) Develop and launch expanded adolescent and young adult ministries targeting the 13-18 age group and the 19-40 age group.

- We are going to start our hang-out nights this month. We will be hosting 5th grader to 12th graders at different times in the month
- We plan to hire a ministry coordinator soon to help push the ministry agenda, especially for our target group.
