*This month I notice some categories of my activities as your Lead Pastor so I came organizing things this month a little differently*

### **Ministry as Meetings**

This month has been filled with important meeting for Trinity's future. Finance; Budget Subcommittee; Council; Give, Serve, Lead (planning and executing our annual appeal); A&P, Farmers Market, DCHA Board, Staff (working on an array of areas). *Good administration is good ministry.*

### **Ministry as Events**

What a great month of events...and successful ones at that. We had a number of new people from the community come to the Blessing of the Animals (10/8), the Dinner Theater (10/23) was a fun and wonderful time of fellowship, and if you haven't heard our very first Trunk or Treat was estimated to have over 700 people attend, many from the surrounding community. Good things are happening!

### **Ministry as Worship**

We celebrated Reformation Sunday with style (OK that's not really a change), offered prayers of blessing for our Memorial Peace Garden (which turned out beautifully), and our Lutheran series was very well received by the congregation and fun to preach.

### **Ministry as People**

We welcomed a wonderful group of new members (10/9), confirmed young people on the Eve of Reformation (10/29), and I was able to support the Camp Hill Lions Club by participating in their golf outing and networking with the who's who of Camp Hill.

It was a good month!

Your servant in Christ,

Pastor Jack Horner
