Subject: Strategic Plan . . . Request for Updates

Merry Christmas, Happy New Year and Good Morning:

This is to request pertinent Committee Chairs, staff, and other lay leadership to update the status of their particular areas of our strategic plan. We plan to provide such an updated report to Council and the congregation by the end of January.

Your responsibility areas are as defined in the plan (attached) as provided to you mid-year. Please feel free to update responsible groups and persons as appropriate.

The sections of the plan to be updated/ adjusted are:

- Key "Now" Activities to Accomplish;
- Key expected additional actions and activities (briefly); and
- Estimated "By When" dates.

Please plan to provide such information (as edits to the document [will expand] or otherwise through an email) to Tom Notestine and me by January 14 so that edits and coordination can be made the week of January 15.

Any questions or comments? Contact me through email or at 717-576-9649 as you may wish, or Moses Kavishe at the church office.

Thank you.

PS...You may want to consider working on this during this weekend's many bowl games just in case they get boring.
