**Other things:**

- I am realizing that I have been at Trinity long enough to run into members not only in and around Camp Hill, but when I go a little bit farther out as well. Case in point, I had barely entered a store with Marianne at the Shoppes at Susquehanna, when I heard "Good morning, Pastor Brock!" from one of our Saturday night regular worshipers. I have met Trinity while at Walt Disney World as well. I am not complaining, simply commenting on aspects of pastoral life one does Not learn about in seminary.

God's peace,

Pastor John Brock
