Legacy

This summer was a season of thinking about legacies. I shared in sermon the funerals that happened this summer at Trinity and the wonderful lives of faith and love our members lived. These persons will be remembered for the legacies they have left behind. This year has also been one of financial legacies left behind in the estates of members of our congregation who passed away last year. By the end of the year we will have received over \$500,000 from these faithful followers of Jesus who loved their church and left us in their wills. Thanks be to God for their legacy!

Historical Society of Camp Hill

We hosted the Historical Society of Camp Hill on 8/3 and presented a history of Trinity Church. Over 85 attended. Thank you to the team that help put together a great presentation...Nancy Martin, Patty Marshall, Pat Eby, and Jeff Weaver.

Installation of Pastor Jennifer Hope-Tringali

I am honored to have been asked by Pastor Jenn to preach at her installation as lead pastor of Christ Lutheran Church in Houston, Texas. Pastor Jenn, some may recalled served us as an interim associate pastor in 2017-2018. She will be installed on October 14th.

Holy Land trip

I am planning a congregation trip to the Holy Land for June 4-14, 2024. It will include a reaffirmation of baptism at the Jordan River and holy communion on the Mount of Beatitudes.

Your servant in Christ,

Pastor Jack Horner
