Give, Serve, Lead

As leaders at Trinity please continue to encourage our members to support the ministry we share through their gifts of time, talent, and treasures. The congregation will be receiving the annual appeal materials soon.

125th Anniversary

We had a great celebration Impact Lives Weekend on September 10th to celebrate our 125th anniversary. Pastor Phil Hirsch inspired us with his message, and we had close to 200 people participate in service projects throughout the area. Well done!

Director of Digital Media

Danelle Andrews has accepted another position and given her resignation. She has done a great service for our congregation serving in faith formation and then helping us grow our digital media during the pandemic. She will be greatly missed on staff.

Holy Land Trip

I am closely monitoring the situation in Israel and have been in direct conversation with the tour company. Elias Tours is recommending not postponing or canceling the June tour of the Holy Lands at this point as the situation continues to be fluid and we pray for a peaceful resolution. They have assured me the tour is fully refundable if either tour company or the individual decides not to go. So we wait and pray.

Executive Session

I have a matter to discuss in executive session.

Your servant in Christ,

Pastor Jack Horner
