

Trinity Lutheran Church P&C Team  
Report to Congregation Council  
October 2017

The P&C Committee has not met since the last council meeting. Here are some updates of what we have been working on:

**Website** – The website is live! The feedback has been very positive. Jeff Weaver is still continuing to manage the site. We are all very excited about the opportunities that we will have with the new site.

**Gathering Space** – We worked with Kelly Falck and Amy Heinley to decorate the Gathering Space Art Wall for Reformation. A “Reformation Timeline” has been added to the Art Wall along with Amy Heinley’s gorgeous Luther Seal and some posters advertising the Reformation events. We are also working with the property committee to redesign the Bulletin Board area right inside the front doors.

**Social Media** – We continue to work hard to create a platform on social media where we can share our events and activities as well as draw in members of the community. I encourage everyone to Like us on Facebook (@trinitycamphill) and join our Members group (Trinity Camp Hill Members.) We have also been posting the weekly sermons and children’s messages to our YouTube Channel and sharing them on our new website. Other videos including some of our musical groups and our Thanksgiving Moments are also being shared on this page. Sharing our posts, videos, and pages from our website are a great way for our message to be shared outside of the church.

**Thanksgiving Videos** – We have been working with the Stewardship Committee to create and share the Thanksgiving Moments Videos that are being shown in Worship. A new video will be shown each week. These videos are being uploaded to the youtube channel and the website.

Respectfully submitted,
