KAIROS Leadership Team

Report to Council – November 2017

We met on October 10th. I informed the team of the 4 new staff positions that were approved as part of our staff realignment.

We reviewed the architect's plans and they received wide support. We discussed potential amounts that we thought were a reasonable initial goal. Pastor Bob said that 1.5 to 2 times budget is a reasonable starting figure.

We assigned various appeal team members. Initially, the two most important teams are **Lead Gifts** and **Communications**. Jennifer Schwalm, Jill Lashay, Bob Frymoyer, and Elizabeth Shenk will head the Lead Gifts Team. Danelle Andrews, Stephanie Mauer, and Mitzi Jones will be our Communications Team. These two groups had their initial meeting on October 16th. Over the next weeks we will attempt to start identifying potential significant donors. Communications will work with KAIROS to develop hand out material concerning the appeal.

Assuming that the congregation comes to some consensus and approves an appeal/capital campaign of some magnitude, tentative kickoff weekend would be April 13-15, 2018.

Our next meeting is scheduled for Thursday November 30th.

Respectively,

Jay Killian
