2017 Fall Stewardship Campaign

As of October 24th, 262 EOG's were received totaling \$691,017.00. No other information was available at this time due to a software problem in the church office.

On November 7th the Stewardship team was updated by an email with the following;

Total EOG's received 285 for a total of \$764,367.00.

An additional 91 electronic givers who DID NOT return an EOG totaled \$143,402.00

TOTAL PLEDGE/EOG COUNT (285 + 91)=376 \$907,769.00

Stewardship team has advised congregation that all electronic giving will be counted as a Pledge for 2018 in the Trinity Parish.

There are many, LEADERS INCLUDED, that have not taken the time to submit an EOG. The Stewardship Team believes that the Estimate of Giving (EOG) is our way of making a personal plan to thank God for all he has entrusted to our care.

With only one other team member responding to the email on November 7th team facilitator submits the following;

STEWARDSHIP RECOMENDS THAT THE AMOUNT FOR LINE 41110-MEMBERSHIP ENVELOPES OF THE 2018 BUDGET BE \$ 1,290,000.00.

Meeting was adjourned with the Lord's Prayer
