

**Trinity Lutheran Church Worship Team  
Report to Congregation Council  
December 2017**

**Last Meeting** November 20, 2017

**Advent 4 and Christmas Eve**

Circle of Light is the theme for Advent this year.

Kathy Powers has decorations well under control for this abbreviated Advent season.

**Altar Care** Barbara Kriebel expressed the need for more volunteers. She will check into ways to recruit families for this task.

**Ushers** Bob Foster has lined up head ushers for Christmas Eve. Manpower issues at the 8:30 service are being worked out. Bob will organize a February or March meeting to look into better scheduling, identifying, and defining the tasks of ushers and greeters. This can give us more flexibility and better coverage for those tasks.

**From Pastor Horner**

1. Staff has talked about the Worship time schedule and will reevaluate closer to summer. The preaching schedule has also prompted many people to vocalize their appreciation of the quality of the sermons and their ability to discuss sermons with friends who attend a different service.
2. Council is forming a task force to address security issues. The ad hoc committee will report back to Council in February.

**All Saints Day Altar Cloths** Becky Enney reported that 306 names were on the cloths this year. Thanks to Becky for making these each year, as the project proves to be meaningful to many people.

**Looking ahead**, Ash Wednesday is February 14, Lent has the theme of God Bond, and Easter is Sunday, April 1 (no foolin').

**Next Meeting** February 19, 2018
