

Children's Ministry

Here are the highlights of what our team has been doing:

- More than 85 children participated in the 4:00pm Christmas eve worship service Please be sure to say a special thank you to Amy Koch, Danelle Andrews, Sandy Gates, Valerie Kelley, and Amy Heinly for their tireless efforts to make the service a success
- Beginning January 7, 2018 we have tightened our drop off and pick up procedures for Children's Faith Formation on Sunday mornings. The hallway is very crowded with parents picking up an average of 100+ students each week. We are trying to manage the people in this limited physical space by more rigidly structuring the way children are dropped off and picked up by their parents. It is the intent of my team to completely limit access to the 100 hallway to only children and authorized volunteers. This area should not be used as a through way for people wishing to enter the building from market street.

Milestone Events
