

Fellowship Team Minutes

Wednesday, February 21, 2018

7:40 PM

In Attendance: Pam Glenn, Martha Nagle, Anne Stafford, Joe Hunter, Pastor John Brock, Mary Ellen Hettinger, Debbie Wilson, Ellen Ney, Rick Sten, Kathy Holmes

Devotions - Anne Stafford - Thanks Anne for a thoughtful prayer and devotion about leadership!

Previous Events:

6th Annual Chili Cook Off - Awesome event - 125 people // more people, chili and families than we've had before, don't know why, but it was a great time and kudos to the Heilman family for their leadership.

Upcoming Business:

Dinner Theater outing for Spring - Because of the "no fly zone" and holding off on activities that are happening around the same time as the Capital Appeal, we decided to eliminate the spring dinner theater outing and just do one in the fall.

March 20 Evening TotR Walk - Tuesday, March 20 Trinity on the Run Evening Walk celebrating the start of spring! Meet at church at 6:30 for a walk and "seed planting activity".

Capital Appeal Dinner Theater Events - Rick Sten told us about plans for the three dinner theater events planned for April 15, April 29 and May 6. He and Steve Kauffman are working through the details, but know they'll need lots of volunteers.

Memorial Day Float - Martha and Mitzi Jones are heading up a float committee to build a Memorial Day float for the Camp Hill parade (May 28). Funding will come from Evangelism - we'll need to get some more direction from Keith Huntzinger or Paul Hensel on a dollar amount. So far the team has received four float design ideas. All ideas will be posted from March 11 - April 5 and then a winner will be voted on and announced on April 15.

Summer Sundae Concert - August 26 will be our annual concert and ice cream social - planning on a similar event to the one held in 2017

Octoberfest - Martha Nagle is looking to gather a team and we'll need to figure out a date to get on the calendar.

Thanks & Giving - Discussion about how to grow the number of meals delivered by a reasonable and do-able amount for 2018. Suggested talking to Mary Ann Landis about Bethesda Mission's women's shelter.

Ongoing Business

Garden of Eatin - We were excited to hear Mary Ellen Hettinger tell us about GOE III - hosting a Garden of Eatin 3 once a month on Saturdays before the church service. February

17th was the first GOE III and even though there was a snow storm it went over very well.

Trinity on the Run - Even with the cold and snowy/icy conditions this winter, we've had new walkers join our Saturday morning group! Also in 2018 we've started "celebrating" our friendships - so on a Saturday around each person's birthday, we'll all write notes of appreciation and deliver a big fat envelope to our special friend - it's been a big hit so far, especially since even the littlest kids can participate by coloring and decorating the envelopes! Caring for each other and community at it's best!!

Petitions & Communications/Comments for the Good of the Order - see attached note of thanks and appreciation from the church office and staff for the chili cook off.

Next Meeting
