

Report of the Lead Pastor for February 2018

Rev. Dr. Jack M. Horner

March 12, 2018

Baptisms: none

Funerals: none

Weddings: none

6 month staff reviews

I met with our program staff for a mini review. Conversations went very well and were productive.

Office Manager position

Nancy and I reviewed her position and prioritized tasks. I will be reviewing and updating the job description (though I expect few changes), and passing on to A&P. We will be posting the job in the Trinity Today and Trinity Parish first.

Security Task Force

Met with the Head Ushers on the 18th to share the report and solicit ideas. Very helpful questions, suggestions, and comments. Property Committee has stepped up to tackle security task force recommendations. I'm planning on bringing the group together again to update them and start planning next steps. Paul Hensel has been helpful in finding out more information for us from our insurance agency and the Cumberland County D.A. Dave Rupnik from Property Committee has been added to the task force.

Capital Appeal

Jay Killian, Jennifer Schwalm and I have been having a weekly conference call to review progress and coordinate. Things are moving along.

Leadership Task Force

Still on my radar but have not had any time to work on it this month. The Leadership Task Force will research leadership development models so we can continue to attract, train, and engage disciples for leadership.

Time away

Linda and I had a great vacation with our sons in New Orleans for Mardi Gras. Good to get away and glad to be home.

Your Servant in Christ,

Pastor Jack Horner
