

COUNCIL REPORT
Ministry Director for Music
May, 2018

Dozens of rehearsals with singers, choirs, instrumentalists and staff members throughout the month resulted in the inspirational music we heard every Sunday morning, during Holy Week, and on Easter Sunday.

The **American Composers Choral Festival** was presented on April 14 with over 700 (200 of them singers) packed in the nave.

I did a demonstration of our pipe organ and handbells for a class of Trinity preschoolers.

I played for 3 funerals, attended Creative Worship, Choral Festival and weekly staff meetings.

I attended the “Meet and Greet” on Apr. 27 to meet our prospective new associate pastor.

I was honored to have been asked to accompany a college student as she presented her Masters violin recital at Towson University.

The Chancel Choir and I were asked to sing/play for the Synod Worship service on June 1 at Messiah College.

Our final concert of the season is **this Sunday, May 6 at 3pm**. The **Harrisburg Choral Society** will join with the **Susquehanna University Choir** and orchestra in a concert of sacred works. Free Patron tickets are available in the church office. Non-patrons pay regular ticket prices.

Respectfully submitted,

Tim
