Work on the parking lot began Monday, May 21. Be alert for potential disruptions and new traffic patterns.

Parking lot update from Property Committee: Work completed includes the removal of trees per plan, staking out all islands and entry/exit areas. In addition, saw cutting for light standards and all islands except by the Gathering Space entrance have been completed. Finally, bases for the light standards are done and ready for the light poles and lights.

Work planned for the week of June 4 includes excavation for curbing at all locations to prep for curb crew, and survey layout along with trenching for the power for the light poles. We will try and keep you updated weekly as to what the plans for the coming week will be. We appreciate your patience and understanding for the short-term inconvenience as the work is being done.

You can buy fair-trade coffee, tea, and chocolate in the Gathering Space after services on Sunday.
