

United and empowered to worship, connect, serve.

All are invited to installation of Pastor Liz

All are invited to the installation of The Reverend Elizabeth E. Frey on Sunday, October 21, at 4 pm, here at Trinity. Let's all attend this special worship service as

we formally welcome Pastor Liz and meet her family: her mother and father, Deb and Keith; and her brother and sister-in-law, Jacob and Elizabeth.

Preaching will be Mark Kopp, pastor of St. James Lutheran, Columbia. Providing music

will be Tim Koch and the Chancel and Bell choirs. Light refreshments will follow.

As Trinity's Ministry Director for Engagement, Pastor Liz cannot point to any one favorite aspect of her job. She loves it all: meeting the people, working with Trinity's many children, enjoying the collaborative nature of staff, and experiencing two different worship styles.

Pastor Liz's route to the ministry was indirect. After graduating in 2011 from Gettysburg College with a bachelor's degree in political science, she had "no idea" of what she wanted to do, other than to serve people. She looked at the Peace Corps but wondered what the church offered instead. After learning about the ELCA's Young Adults in Global Mission program, or YAGM, she "felt the Holy Spirit nudge me in the direction of serving globally." Her application was accepted.

Because she had studied Islam as part of her religion minor at Gettysburg, the YAGM staff

Open it up! by Rev. Dr. Jack Horner

I had a special bottle of wine I was saving for an even more special occasion. For years it sat there waiting to be opened and enjoyed by my wife and me.

Birthdays came and went, along with anniversaries, graduations, and holidays. It just wasn't the right time, I convinced myself.

When finally we opened the bottle, well, it wasn't all that good. It wasn't all that special. The wine had actually gone past its optimal date for drinking. It was meant to be used and enjoyed so much sooner.

So many times we hold on, waiting for the right time, the right moment to get involved or to be more generous or to share a special talent. In the meantime, our volunteerism, spiritual gifts, or financial resources sit on the sideline idle, collecting dust just like my wine bottle.

Why wait? Perhaps the time is now to get involved and support the work of Christ and his church. Trinity needs you today. Don't wait for the tomorrows that may never come. Your prayers, your time, your heart, your passions, your talents, your generosity toward the mission and ministry we share are needed **today**.

Now is the time to let your light shine before others. Now is the time to offer your best to God. Now is the time to give to Christ's work. Now is the time open yourself to the Spirit to bring joy to our community in Christ.

United and empowered we worship, connect, serve...together we do more!

Installation of Pastor Liz, continued from front page

sent her to Malaysia, a Muslim country, where she taught English in an ecumenical seminary.

It was hard being away from her family, but it was during that year, she said, that "God started planting the seed" toward seminary and the ministry.

She was scared, however, afraid of finally saying that was what she wanted to do with her life. Many of her friends were atheists or agnostics, and her best friend growing up was

Jewish. She could not take a call to ministry lightly; "It's a big deal," she said, and thus ignored the seed for several years as she lived with her parents and worked in retail jobs.

In 2014, the seed germinated and the decision was made. Liz Frey entered the Lutheran School of Theology at Chicago to earn a Master of Divinity degree. Just prior to her graduation in 2018, she accepted the call to Trinity and became Pastor Liz. Trinity is blessed.

HAVE FAITH. END HUNGER.

Join "Offering of Letters" campaign to end hunger at home and abroad

Bread for the World is a collective Christian voice/advocacy urging our nation's decision-makers to end hunger at home and abroad by 2030. By changing policies, programs, and conditions that allow hunger and poverty to exist, we can provide help and opportunities far beyond the communities where we live.

Funding for vital domestic and international anti-hunger and anti-poverty programs is again at risk of deep cuts. Through your letter-writing, we will urge Congress to invest and protect key programs that help improve the lives of women, men, and children facing hunger and poverty. We are called to help defend people living in hunger and poverty no matter where they live!

Letters to our legislators will be available for you to **sign and personalize on Sunday, October 7, and Wednesday evening, October 10** (at Sup and Study, when we will hear from the ELCA World Hunger representative). Children are invited to make paper plate messages/pictures supporting this advocacy. The letters and plates will be delivered to our legislators.
