

# What are Faith Connections?

Faith Connections are informal, interactive groups designed to deepen your relationship with God and others. Our hope is that by participating you will become UNITED with God and one another, and feel EMPOWERED to WORSHIP, CONNECT, and SERVE with us here at Trinity and in the world.

# How do I get connected?

All groups are open to new participants, and we encourage you to join at any time. You may even choose to try out a few groups before finding the best fit! New semesters begin in September and January, but NOW is always the best time to get started.

# Living with Gratitude

### Augsburg Bible Study

Dig deeper into scripture with this Bible study group. Materials are produced by Augsburg Fortress, the publishing ministry of the ELCA, and provide terrific insights through questions, prayer, suggested memorization, and daily readings. All are welcome.

### By Heart: Conversations with Luther's Small Catechism

Join this richly illustrated, in-depth exploration of the Small Catechism including conversations about the biblical and historical context of the Small Catechism, its link to the church's faith, and its connection to Luther's life and your life today. Each session will consist of a short video, time for discussion on the book, and an opportunity to hear the words of the Small Catechism in a new way.

## Gratitude for Our Global Family

### Dialogues On: The Refugee Crisis

It's not news to anyone that we are living in a time of conflict, division, and disagreement. We are becoming people who can't seem to find our way out of the "us vs. them" pit of divisiveness. And yet we know it doesn't have to be like this. In this group you'll read essays from experts and hear stories from refugees themselves. You'll spend time talking to one another and sharing perspectives. Then you'll take all of that with you -- into your jobs and homes and Thanksgiving dinners -- and offer alternatives to conflict and division. In short, you'll have constructive and respectful DIALOGUES.

## Gratitude for Our Journey as Parents

### Parent Cue 1: The 5 Love Languages of Children

You know you love your child, but how can you make sure your child knows it? Discover how to speak your child's love language in a way that he or she understands. This group will use the #1 *New York Times* bestselling book "The 5 Love Languages of Children" to help parents learn the secret to building a foundation of unconditional love for their children.

### Parent Cue 2: Parenting through the PHASES

You have approximately 936 weeks from the time your child is born until he or she moves on to what's next. It goes by fast, and kids change and grow quickly. This small-group study will help you discover what's changing about your child, the six things he or she needs most, and four parent-child conversations to have in each phase of those 936 weeks as a parent.
