

October 2019

Dear Friends in Christ:

The kind woman didn't know what was bothering the young man, but she sat down beside him, introduced herself, and asked what was wrong. She couldn't have known **he was grieving the loss of his best friend.**

The young man had come to Trinity that day for spiritual support, and he shared with the woman his loss. The next day, he was surprised to discover a gift bag by his front door. In the bag was a beautiful handmade prayer shawl, along with a card and thoughtful message **signed by each of the women in our Prayer Shawl Ministry.** His spirit was uplifted in a way that, to this day, moves and inspires him.

Because of your generous annual gifts, **this type of inspiration happens each and every day** in the life of our church.

Now, as we near this year's end, **it is time to consider your annual giving estimate** that allows us to continue this mission of uplifting spirits and transforming lives. **Worship and music** for all, **visitation** to at-home members or nursing home residents or prison inmates, **faith formation** for all ages, a **quilting ministry** that reaches folks worldwide, our **Vacation Bible School** and **preschool** programs that affect hundreds, and much more—your support makes miracles happen.

As you continue your support in 2020, please **think about increasing your gifts** to keep inflationary costs from reducing the amount of good we can do for our congregation, our community, and beyond. We give because we are grateful for all God has given us.

We sincerely thank you for your past support, and we ask for your prayerful reflection and financial help to keep our ministries thriving. **You can make your commitment now** at www.trinitycamphill.org/pledge or by returning the attached form to the office, the Gathering Space, or the offering plate.

Yours in Christ,

Jennifer and Michael Schwalm
