Are You Dying...to be newly born?

Pastor Jack Horner preaching

Don't just listen to the sermon...Ponder how you can live it!

Use these questions as a starting point to dive deeper into the sermon each week. Can be used individually, with family and friends, or with your LifeGroup!

- 1. What has your "journey of believing" looked like?**
- 2. Was there a time in your life when you felt God's presence especially? Was it in a "dark" time or "light" time of life?**
- 3. Of these four, trusting Jesus, following Jesus, knowing Jesus, or saying "Yes" to the Spirit of Christ... what is the easiest? What is the hardest?**
