

Do you feel lucky?

Well, you should! God loves you and for that you are more than lucky, you are blessed! Think about the times when you felt really lucky! Maybe you scored a goal in the big game, got a good grade on a hard test, found the toy that you lost, or were given the biggest slice of cake at dessert! "Luck" as we call it, is simply God's way of loving us. Over the next month, anytime you feel "lucky" add a coin to the sheet to thank God.

After all, our "luck" is a gift from God!

Your offering will be used by the church to share the "luck" with others!
