Don't just listen to the Sermon...Ponder how you can live it!

Use these questions as a starting point to dive deeper into the sermon each week. Can be used individually, with family and friends, or with your Life-group!

1. How do you react when you're missing a part of a story or a movie? What do you say or do to figure out what you're missing?
2. During this time of social distancing and coronavirus, where have you witnessed the Holy Spirit at work? Where have you heard the gospel proclaimed? Where or how have you experienced God's love?
3. Think about how you react to change. What is your initial reaction?
4. In your life, how have experienced change - a threshold - as an invitation and/or a promise?
