

Deaths in the Trinity Family

March 17 - July 11, 2020

Please pray for those in our Trinity family who are affected by deaths that occurred during these months of the 2020 pandemic. We announced the deaths orally during livestream and outdoor services, but we repeat them here for your reference. Services in some cases will be held later, or in some cases were private.

During this time of continued uncertainty, remember that these believers have found the certainty of life everlasting, just as God promised.
